

SOLAR GUARD LIMITED LIFETIME LABOR WARRANTY

To our Valued Customer,

*We believe that we manufacture the most efficient and highest quality product and stand behind it with one of the best warranties in the industry. If anything in this warranty is not clear to you, please call us at **619-323-9674** or visit our Web site at www.ECOEXPERTS.com.*

If you are the original purchaser, (e.g., the homeowner or building owner) or the first transferee from the original purchaser, you are entitled to the benefits of this warranty.

Eco Experts hereby warrants that, for the lifetime of the product, our Solar Guard will be free from defects in material and workmanship that affect the performance of the product in the building in which it is originally installed.

Eco Experts obligations under this warranty will only take effect if the product is installed (including both the original installation and reuse installation) in accordance with all applicable Eco Experts specifications and guidelines.

This warranty does not cover: *Product damage due to improper or faulty installation of the product by anyone other than an Eco Experts certified contractor. Any problems caused by conditions or handling beyond our control, including but not limited to acts of God, fire, flood, wind or other weather damage, improper storage or installation, misuse, negligence, exposure to chemicals or the environment or failures/distortions in the building structure, or any costs that you incur which are not authorized in advance by Eco Experts. This warranty shall be voided if any alteration to the product has impaired its performance.*

This warranty is extended to the original owner and allows a one-time transfer of ownership. In the event of new ownership, Eco Experts requires a new product registration to be sent in to our home office. Eco Experts also allows for one relocation and install at a new address for the original owner.
